resolution dated 11th June 1934 approving the payment of a monthly grant of Rs 10)

Due provision for the payment of the same is made in the budget and approval of the Council obtained for the continuance of the grant every year. Similarly the continuance of the grant during the year 1934-35 was approved by the council at the meeting held on 2nd June 1934. Copy of which is enclosed for information.

The local auditors suggest that sanction of Government may be obtained to the payments of grant every year. I therefore request the sanction of Government may kindly be obtained for the payment of the grants to the institutions so long as they work satisfactorily. Approval of the Council for the continuance of the grants will be obtained each year as hitherto.

With regard to item No 11 Sri Ramour Reading Room
